Enrollment process:

Application Deadline: OPEN

Fill out and return the following forms:

- Application Form
- New Client Information
- Clinic Policies and Procedures
- Teacher questionnaire
- Exchange of Information
- Video and Audio Permission
- Outing permission
- IEP/Report(s)/Outside Assessments (if available). Any other information which will give us a better understanding of your child and his/her strengths and challenges.
- A brief letter from you describing your child's areas of concern at this time.
- Please include a recent picture of your child

For Returning Clients:

Please note that although you may have completed this information in the past, the forms above need to be completed each semester with the exception of IEP's and outside assessments. We will only need IEP's and outside assessments if they have been updated since you last submitted them. Thank you for your help in keeping our records up to date as well as helping us to place you or your student in the most appropriate group.

- Records will be reviewed for each student who applies for the program to best understand how to accommodate your child's needs and to find a good group placement.
- Students are placed in groups with peers who are matched for cognitive, behavioral and social needs.
- A recent picture of your child (I keep this in our files to help remember your child if I don't see him/her on a regular basis).
- Once forms are received, Think Social East Bay will contact you to schedule an informal "meet and greet" at the clinic. This is a 15-20 minute meeting for therapist and student to "interview" each other. This is a great way to reduce anxiety for parents and students as well as provide your therapist with good information.

Information about scheduling:

- After school sessions will be scheduled at 3:15, 4:30 and 5:45 Monday through Friday.
- If your student is available before 3:15 (e.g., homeschooled students) please write your availability on the schedule as shown in the example below.
- PLEASE USE THE FOLLOWING SYSTEM TO FILL IN EVERY SQUARE ON THE SCHEDULE. Write an "O" if your child can absolutely NOT attend during that time. Write "1" in each square for your preferred times and write "2" for other possible times.
- It is important to be as precise as possible, this part of scheduling is complicated and we rely on the information you provide us. We will make every attempt to meet your needs. If your schedule changes and you are not available during the time you originally marked, we may not be able to find another group placement for your student after he/she has been placed in a social thinking session.
- If your student is not initially placed in a social thinking session he/she will be placed on the waiting list and you will contact when an opening occurs: we are, generally, able to place the majority of applicants in groups, if we receive the applications by the deadline.

Clinic Policies

Very Important, Please Read and Initial

I agree to follow the fee schedule and policies for
Please initial each section

as noted:

Absences and Missed Session:

Each clinic participant is allowed 2 cancellations over the course of the school year without being billed for those cancellations, if your child started therapy with us in the Fall. If your child started therapy with us after January 31st the child is allowed 1 cancellation. Cancellations may be due to illness, schedule conflicts, vacations, etc. Beyond these 2 cancellations, you will be billed for missed sessions. If cancellations persist, you will be asked to give up your spot in the clinic. I understand that notification of temporary absence from therapy for illness, vacation, etc., must be given 24 hours in advance if possible and not later than 7:30 am on the morning of the scheduled appointment. The clinic closes during the 2 days of Thanksgiving, the 2 weeks of the winter holiday (December-Jan), and we are closed for the following holidays: Labor Day, President's Day and Memorial Day. We are open for Veteran's day and Martin Luther King Day. We run the weekly sessions until school closes again in June. If you find you cannot continue at the clinic for any reason, we require a two week notification of withdrawal to allow our staff to fill that slot.

Policy for most of the group being absent one week

When the therapists work in the group, they observe small details that they wish they had time to cover more intimately. When all the other clients in the group are absent, we will see you individually, at the same price as if it was a group session. This is an excellent time for giving some direct feedback and encouragement.

Sibling Waiting Room Policy

Parents of children younger than 13 years old should stay in or very near the clinic during the session. If on any particular day if you feel your child is agitated or becomes easily agitated, please do NOT leave the clinic. If you are bringing a sibling to the clinic, please bring some books or small toys for the sibling to play with. We have a small selection of books available as well as a table where siblings can do homework, etc. We expect siblings to maintain a reasonable level of calm and quiet during their time waiting. If they need to move around please walk them down the block, however, make sure we have your cell phone number in case we need to call you.

Late Parent Policy

In the event that a child is not picked up at the end of the session, we reserve the right to charge a \$100.00 fee for any part of each half-hour that they are left waiting (e.g. 40 minutes late, \$200). We realize this seems severe, but as you know, many of these children do not deal well with stress and/or transition. We have experienced the extreme and violent reactions of students whose parents were late, resulting in an inability for the therapist to get her next group started on time. We have adopted this policy in order to keep our clinical schedule running smoothly and allow our staff to devote their time to their students.

Observation of sessions

Parent observation is very limited to nonexistent for our groups. Our facility was not built specifically to accommodate observations while maintaining patient privacy for other groups that may be running in close proximity to the observation areas. Any observation, if allowed is completely at the discretion of the clinic and must be arranged prior to session date.

Policy for processing insurance claims or other administrative tasks

We are a "private pay" clinic, meaning that all of our services must be paid for by the guardians of the client, or the adult client themselves. We do not accept 3rd party reimbursements.

Policy for billing

Billing statements/invoices are issued at the end of each month for weekly therapy sessions.

Copies of these policies will be available for you to take for your reference.
